

Strengthening of the free market capitalization of Koenig & Bauer share

Würzburg, October 29th, 2021

Koenig & Bauer AG welcomes the strengthening of the free market capitalization of Koenig & Bauer shares in the current market environment, also with regard to future regular reviews of index membership, through the change in the shareholding of Mr. Claus Bolza-Schünemann from 5.068 % to 4.9998841134 % (see our disclosure of the voting rights notification dated October 29th, 2021).

In addition, Mr. Claus Bolza-Schünemann informed us that he had transferred the shares to his descendants - in order to express his commitment to the company also to the generation following him - as well as not to make any further changes to his shareholding at present.
